Scrip Overview

WHAT IS SCRIP?

Scrip is a program where pre-negotiated rebates are provided to GHS by participating merchants. Each year GHS establishes a scrip goal per family to help meet our annual budget. Tuition covers only covers a portion of our operating costs. WE NEED YOUR SCRIP PURCHASES TO HELP MEET OUR ANNUAL BUDGET.

YOUR ANNUAL SCRIP GOAL

Your annual 2006-2007 scrip commitment is \$4,400 of scrip purchases per GHS family. Scrip purchases include all items you purchase using one of our scrip sources. We encourage you to exceed your annual goal because for every dollar we raise through scrip, is a dollar we don't have to raise from other sources.

SCRIP YEAR

The GHS scrip year begins on June 1st of each year for the upcoming school year and ends on May 30th. All your purchases during the summer months apply to your school year requirement.

USE SCRIP FOR ALL YOUR PURCHASES

GHS has five choices to purchase items and receive scrip rebates. Virtually EVERYTHING you purchase from groceries, gasoline, clothing to home remodeling can be purchased with scrip dollars.

SCRIP PRIVACY

GHS takes privacy seriously. Your personal information is protected using best industry practices and all Internet transactions so your data is safe. Your information is shared with vendors only for the specific purpose of the GHS Scrip Program. Your personal information will not be shared with 3rd parties for marketing purposes.
